# Objective Design Standards

---

Town Council Meeting  
May 7, 2024

## Questions to Consider

Staff recommends consideration of the following questions:

1. Are there modifications to the Town's Objective Design Standards that should be pursued at this time?
2. If so, what specific topics should be included in the drafting of new/modified standards?
3. Would the Town Council like staff to prepare a new request for proposals (RFP) or work with the previous consultant for this effort?
4. What funding source would the Town Council like to use for this project?
