To whom it may concern,

A aerial view of this easement located on the property at 15995 Cerro Vista Drive shows it to be above the current proposed housing development that is located at 178 Twin Oaks Drive. APN 532-16-006 for a Fire Road Easement. It was meant for residents living or those that might get trapped in a fast moving fire to get down the hillside into the open field below.

According to the “ Lewis and Clark” MAP of this Cat in a Hat town .. (under survey maps section)

☐ **what nobody knows what a 20’ easement pathway represents on the side of a mountain?**
