To whom it may concern to item # 7 - Parking, Rent?

NO! ... way

Public parking is already a problem in that area. This is in walking distance to the Library parking lot, that shares this Town Hall parking lot and Street parking lots. All these places are full way too often. We should not have to drive around in circles looking for parking in this much traffic area.

Town Council is allowing a giant mix unit building to go up with very limited parking on the corner that nobody wanted in between all this. THE PRINCIPAL OF LOS GATOS HIGH SCHOOL COMPLAINED ABOUT PARKING. THE SCHOOL DISTRICT COMPLAINED ABOUT PARKING. THE METHODIST CHURCH COMPLAINED ABOUT PARKING IN THIS AREA!

THE HIGH SCHOOL HAS A LOT OF LAND. THEY CAN FIND PARKING OR MAKE A PARKING BUILDING IN THE BACK OF SCHOOL. \$6,500 a year rent for this just shows the public that this administration is not looking out for the best interest of the town. Put parking meters in to be fair minded.

What part of NO WAY do you not understand?
