Draft Minutes of the Town Council Meeting of September 1, 2026

DATE: September 15, 2026

The following individual spoke on the consent items:

1. Member of the Public (Items 2, 4, 5, 7, 8) - **Transparency Issues not recognizing what is being said or recorded, (“not listed # 6) such as what appears to be a emergency fire easement road being removed above a large development being considered currently by the Town above what public asked and town Council questioned about easements for a public trail!!**

(Given the fact that the fire department downgraded a mosque capacity from 1214 to 566... major legal concerns ARISE with such action.) or new Town attorney being hand picked by outside \$30,000 firm when town has a department that hires town employees, and PARKING ISSUES.

Mayor Moore closed public comment.
